

## **SILENCE**

**Silence is the most perfect expression of scorn.**

**We should all learn that silence could often be the best answer.**

**People who think before they speak will often never say a word.**

**Men of few words are oft the best men.**

**No perfect substitute for common sense has ever come up, but silence can serve the purpose.**

**Listen in silence and you may learn alot.**

**Smart is the man who has nothing to say and doesn't try.**

**Don't talk unless what you have to say is an improvement on silence.**

**Well timed silence hath more eloquence than speech.**

**After silence, that which comes closest to expressing the inexpressible is music.**

**Wise men say nothing in dangerous times.**

**Be silent, or say something better than silence.**

**A fool when silent is counted wise.**

**Silence is the ultimate weapon of power; it is also one of the hardest arguments to dispute.**

**Speech is civilization itself, it is silence which isolates.**

**There are times when silence has the loudest voice.**

***Truth Endures***
