

COURAGE

There can be no courage unless one is scared.

Courage doesn't mean you don't feel fear, only that you act when you do.

It is hard to be brave when you are very small.

None but the brave deserves the fair.

When were the good and the brave ever in majority?

Courage is resistance to fear, mastery of fear, not absence of fear.

One man with courage is a majority.

'Tis more brave to live than to die.

A true hero is brave in both words and deeds.

Do have the courage not to adopt another's courage.

Courage consists not of blindly overlooking danger, but in meeting it with the eyes open.

True valour lies halfway between cowardice and rashness.

Discretion is the better part of valour.

A danger will not be overcome without danger.

Perfect courage is to do without witnesses what one would be capable of doing before all the world.

Courage is the finest of human qualities because it guarantees all the others.

Everyone has talent. What is rare is the courage to follow the talent to the dark place where it leads.

Courage is contagious. When a brave man takes a stand, the spines of others are stiffened.
