

## **HONOR**

**It is no honor for an eagle to vanquish a dove.**

**The courage of your friends does you justice, but the courage of your enemies does you honor.**

**A man's vanity tells him what is honor, a man's conscience what is justice.**

**Honor is what no man can give you, and no-one can take away.**

**It is better to deserve honors and not have them than to have them and not deserve them.**
